

Insegnamento: **LINGUA INGLESE**

24 CFC (Crediti del Foundation Course)

*420 hours of English intensive language course (3 levels available: beginner, intermediate and advanced) from October 2020, to be attended ONLINE.*

**OBJECTIVES:** The matter of learning the English language has become a priority for students interested in building up their academic future internationally. With the aim of promoting the academic international background of all University students, the English language courses are aimed at language education and training as an indispensable means of globalisation in studying and researching.

**CONTENTS:** The English language courses, which are divided into three learning levels, are designed for Italians or foreign learners who are interested in getting enrolled at an Italian University. Participants will have to sit a placement test to assess their initial level of competence in English. Interdisciplinary and in-depth activities will be provided to further develop the learners' linguistic and intercultural skills.

**TEACHING METHODS:** The calendar for upcoming live tutoring and asynchronous activities will be provided and updated on a weekly basis.

**FINAL ASSESSMENT:** to be defined.

**PROGRAMME:**

The course includes grammar and comprehension practice and linguistic support from an online language tutor (from A2 up to B2 level)

**BIBLIOGRAPHY:** online references and webpages will be given for the beginning of the course
