Information on the use of personal data by CISIA

Information on how CISIA processes personal data
Please find below information on how CISIA uses your personal data in the management of the TOLC.
Please read the following information carefully before checking the consent options at the bottom of this window.
1.   Purpose of data processing
The processing of the personal data requested to the users complies with Art. 6(e) of EU Regulation 2016/679, and is used for the following purposes:
a)   Registration and participation to the TOLC;
b)   Management of TOLC results;

Declaration of consent

I declare that I have received the information on the use of my personal data and that I agree to the processing of the personal data by CISIA and the other subjects indicated in the above information, in accordance with the Privacy Policy.
○ Yes ● No

Upload personal photograph

We recommend that you upload **a standard picture, such as an ID photo** (e.g. passport photo). Using the commands [Zoom +] [Zoom -] make sure to **centre your face within the frame** (allowed image files: jpg, jpeg, and png).

[Browse file]

- The uploaded picture will be used as a security measure as an identity check at the time of your test. The classroom staff will check your identity on the day of your test. This check is not performed automatically, through software or hardware.
- Uploading your picture is mandatory to take the test
- Your picture will only be used to allow you to participate in the test and will be deleted within three years of the last test taken.

Student with disabilities *

◉ Yes ◯ No

Student with LD - specific learning disability *

◯ Yes ◉ No

By selecting **"YES"** to the question "Disabled Individual" or "Person with Specific Learning Disorders", in order to activate your user profile, **you will have to provide the information specified in your certifications so that we may better organise your test**.

Information on how CISIA processes personal data

personal data and the information on their status by them communicated. Any further information and documentation about disability or LD must be provided by the user directly to the University where they intend to take the TOLC, which, in turn, will be the holder of the personal and special data received.
CISIA does not require any additional special data further to that mentioned above. This does not exclude, however, that the user may voluntarily or accidentally provide not requested special data. CISIA will immediately delete these data.

Declaration of consent

I declare that I have received the information on the use of my special data from CISIA. By clicking "Yes" in the string below, I consent to the processing of my special data by CISIA and the other subjects indicated in the above information, in accordance with the Privacy Policy:

◉ Yes ◯ No
