

UNIVERSITÀ
DEGLI STUDI
DI BRESCIA

U N I B S
MECHANOBIOLOGY
RESEARCH CENTER

SEMINARI

**"Molecular mechanisms regulating
mechanotransduction at
cell-cell adhesion nanomachines"**

Dr.Cristina Bertocchi

Laboratory for Molecular Mechanics of Cell Adhesion

Department of Physiology, Pontificia Universidad Católica de Chile

And

**Reverse engineering of cell transformation. Views from
cancer and development**

Dr.Andrea Ravasio

Laboratory for Mechanobiology of Transforming Systems

Institute for Biological and Medical Engineering (IIBM)

Pontificia Universidad Católica de Chile

July 3, 2023 - 13.00

Aula A1 Edificio Polifunzionale

Ospite: Prof.ssa S. Mitola e Prof Alberto Salvadori
