DIPARTIMENTO DI ECONOMIA E MANAGEMENT

Workshop

Research Dialogues on the complexity of the energy transition

6th and 7th of December 2021, Brescia
University of Brescia,
Department of Economics and Management

HYBRID MODE

**Salone Apollo, Palazzo Martinengo Palatini,
Piazza del Mercato, 15, 25121 Brescia BS**

The workshop will focus on innovative methodological tools in the field of the energy transition. Researchers will present new modelling approaches and applications while also discussing further extensions. The event will be structured in two different sessions: one about micro modelling, uncertainty and applications (day 1) and one about macro modelling and applications (day 2). Each session is made up of presentations of research papers, also at an early stage, combined with a time set aside for research debate and general Q&A.

The event is open to anyone. [To attend the event, please fill this form](#)

The event is organized by:

*Prof. Sergio Vergalli, University of Brescia, Programme Director MET, Fondazione Eni Enrico Mattei
Scientific Committee:*

Sergio Vergalli, Fulvio Fontini, Michael Donadelli, Simone Borghesi, Peter Kort, Herbert Dawid
