

# Guidelines for the UNITA Innovation Prize 2022

The name UNITA evokes the commitment of six universities (Università degli studi di Torino, Universidad de Zaragoza, Université Savoie-Mont Blanc, Universitatea de Vest din Timișoara, Universidade da Beira Interior and Université de Pau et des Pays de l'Adour) to a closer integration of their academic activities.

The UNITA Innovation Prize promotes the Open Innovation inside and around the UNITA community.

Guidelines and evaluation grid will be governed by the following points:

- I. Competences and references of the team
- II. Market potential
  - a. Problem Dimension/ Quantification
  - b. Unmet need / Market Pain
- III. Positioning of the project in its context, state of the art
- IV. Project:
  - a. Estimation of the feasibility
  - b. Impact (program) and scalability
  - c. Maturity
  - d. Innovativeness: already in market / new research?
  - e. Strategy in open innovation:
    - ✓protocols, projects, and activities with external stakeholders
    - ✓human resources dedicated to external collaborations

Applications will be performed by using [this application form link](#), and sending the application report (10 pages max, in one pdf file) before the 18<sup>th</sup> November at the latest to [prize.unita@univ-smb.fr](mailto:prize.unita@univ-smb.fr)

**This project has received funding from the European Union's Horizon 2020 research and innovation program under grant agreement N°101035810.**
