Biography

Christian Zafiu is physical chemist by training and studied at the University of Vienna, where he also received his PhD (2011). He was Post doc at the University for Natural Resources and Life Sciences, Vienna (BOKU, until 2013), the Tokyo Institute of Technology (2014) and the Research Centre Jülich in Germany (until 2018), where he worked on Micro- and Nanoparticles in fields of analytical chemistry, synthesis and biomedical applications. In 2018, Christian Zafiu joined BOKU again at the Institute for Waste Management and Circularity, where he was appointed to Assistant Prof. (Tenure track) for Waste forensics in 2022. Currently his research fields cover pollutants and valuable resources in waste streams, with a particular focus on (micro-)plastics.
