

Advanced Cross-cutting PhD Course in B&L: 2022 edition

Contents

This multi-disciplinary Course, specifically designed for the PhD Program in B&L, further addresses the main areas of research and the main topics, which are not covered by the other mandatory Courses, in order to provide the PhD Students with a broad and in-depth overview of the multiple perspectives that they can adopt and develop in their studies.

Assessment

For all (that is, attending and non-attending) students, the final evaluation will be “pass or fail”.

Attending Students

Individual assignments: At the end of the Course, the student has to choose two areas of research/topics and, for each of these areas/topics, she has to ask the related instructor to provide a specific reading. For each reading, the student has to prepare a brief note/commentary (that is, five pages including references) based on all inputs and insights collected during the Course and on personal thinking and investigation.

Non-Attending Students

Individual assignments: At the end of the Course, the student has to choose four areas of research/topics and, for each of these areas/topics, she has to ask the related instructor to provide a specific reading. For each reading, the student has to prepare a brief note/commentary (that is, five pages including references) based on all inputs and insights presented during the Course and on personal thinking and investigation.

Paper Format

Length: 5 pages including references. Pages have to be single spacing. Margins’ set-up: 2.5 cm up/down/right and left. Times New Roman 12.
