

**World's 2% Top Scientists – authors 2021****University of Brescia**

| <b>authors</b>         | <b>papers</b> | <b>top ranked Science-Metrix category</b> |
|------------------------|---------------|-------------------------------------------|
| Metra, Marco           | 858           | Cardiovascular System & Hematology        |
| Padovani, Alessandro   | 767           | Neurology & Neurosurgery                  |
| Sberveglieri, Giorgio  | 560           | Analytical Chemistry                      |
| Tincani, Angela        | 538           | Arthritis & Rheumatology                  |
| Castelli, Francesco    | 466           | Microbiology                              |
| Borroni, Barbara       | 426           | Neurology & Neurosurgery                  |
| Comini, Elisabetta     | 420           | Analytical Chemistry                      |
| Facchetti, Fabio       | 416           | Immunology                                |
| Apostoli, Pietro       | 411           | Environmental & Occupational Health       |
| Berruti, Alfredo       | 398           | Oncology & Carcinogenesis                 |
| Calzavara Pinton, P.   | 397           | Dermatology & Venereal Diseases           |
| De Angelis, Costantino | 374           | Optics                                    |
| Flammini, A.           | 332           | Electrical & Electronic Engineering       |
| Muiesan, Maria Lorenza | 331           | Cardiovascular System & Hematology        |
| Presta, Marco          | 325           | Oncology & Carcinogenesis                 |
| Alongi, Filippo        | 313           | Oncology & Carcinogenesis                 |
| Visioli, Antonio       | 307           | Industrial Engineering & Automation       |
| Pecorelli, Sergio      | 296           | Oncology & Carcinogenesis                 |
| Quiros-Roldan, Eugenia | 279           | Microbiology                              |
| Bontempi, Elza         | 271           | Applied Physics                           |
| Giubbini, Raffaele     | 271           | Nuclear Medicine & Medical Imaging        |
| Prefumo, Federico      | 268           | Obstetrics & Reproductive Medicine        |
| Arosio, Paolo          | 266           | Biochemistry & Molecular Biology          |
| Rezzani, Rita          | 264           | Biochemistry & Molecular Biology          |
| Bossi, Paolo           | 257           | Oncology & Carcinogenesis                 |
| Ferrari, Paolo         | 236           | Electrical & Electronic Engineering       |
| Bertagna, Francesco    | 224           | Nuclear Medicine & Medical Imaging        |
| Pezzini, Alessandro    | 215           | Neurology & Neurosurgery                  |
| Scolari, Francesco     | 215           | Urology & Nephrology                      |
| Marengoni, Alessandra  | 210           | Geriatrics                                |
| Latronico, Nicola      | 210           | Emergency & Critical Care Medicine        |
| Sisinni, E.            | 207           | Electrical & Electronic Engineering       |
| Piazza, Cesare         | 205           | Otorhinolaryngology                       |
| Baiocchi, Gian Luca    | 200           | Surgery                                   |
| Ceretti, Elisabetta    | 196           | Materials                                 |
| Plizzari, Giovanni     | 195           | Building & Construction                   |
| Speranza, M. G.        | 185           | Operations Research                       |
| Campi, Marco Claudio   | 178           | Industrial Engineering & Automation       |
| Andreoli, Laura        | 176           | Arthritis & Rheumatology                  |
| Rinaldi, Stefano       | 176           | Electrical & Electronic Engineering       |
| Maroldi, Roberto       | 172           | Nuclear Medicine & Medical Imaging        |
| Baronio, Fabio         | 170           | Optics                                    |
| Docchio, Franco        | 169           | Optoelectronics & Photonics               |
| Semeraro, Francesco    | 165           | Ophthalmology & Optometry                 |
| Kaur, Navpreet         | 161           | Analytical Chemistry                      |

|                          |     |                                            |
|--------------------------|-----|--------------------------------------------|
| Sardini, Emilio          | 154 | Electrical & Electronic Engineering        |
| Portolani, Nazario       | 143 | Surgery                                    |
| Ferretti, Guido          | 141 | Physiology                                 |
| Albano, Domenico         | 122 | Nuclear Medicine & Medical Imaging         |
| Colombo, Rinaldo M.      | 121 | Applied Mathematics                        |
| Carletti, Luca           | 117 | Optics                                     |
| Focà, Emanuele           | 104 | Microbiology                               |
| Baroni, Pietro           | 97  | Artificial Intelligence & Image Processing |
| Negro, Francesco         | 96  | Physiology                                 |
| Matthey, Stephen         | 94  | Psychiatry                                 |
| Alessandri, Ivano        | 89  | Nanoscience & Nanotechnology               |
| Zappa, Dario             | 87  | Mechanical Engineering & Transports        |
| Paderno, Alberto         | 77  | Otorhinolaryngology                        |
| Saccani, N.              | 73  | Operations Research                        |
| Attanasio, Aldo          | 73  | Materials                                  |
| Richelli, Anna           | 69  | Electrical & Electronic Engineering        |
| Alberici, Federico       | 65  | Urology & Nephrology                       |
| Galstyan, Vardan         | 51  | Analytical Chemistry                       |
| Borghesi, Andrea         | 50  | Nuclear Medicine & Medical Imaging         |
| Inciardi, Riccardo Maria | 48  | Cardiovascular System & Hematology         |
| Mirabella, Giovanni      | 40  | Neurology & Neurosurgery                   |
