

3RD INTERNATIONAL CONGRESS FROM PLANT HEALTH TO COMMUNITY HEALTH: HOW SMART SENSORS CAN IMPROVE IT

October 20th, 2023
Virtual Edition

PROGRAMME

Italian Time

9:30-10:00 **Opening Welcome**

Emanuela Gobbi, University of Brescia, Italy

Francesco Castelli, Rector, University of Brescia, Italy

Avetik Nersisyan, Senior Agricultural Officer and Team Leader of Standard Setting Unit of the International Plant Protection Convention (IPPC) of FAO

10:00-12:00 **Keynote Lectures**

1. Data Transmission and Elaboration for Plant Care
Daniele Trincherò, Polytechnic of Turin, Italy

2. Improving Plant Health with Smart Autonomous Sensors
Roberto La Rosa, STMicroelectronics, Italy

3. The Importance of Soil Quality & the Current State-Of-The-Art in Soil Quality Sensing Technologies
Marios Sophocleous, eBOS, Cyprus

4. Bioconvergence in Biosensing for Agriculture and Food Applications
Yosi Shacham, Tel Aviv University, Israel

12:00-12:40 **Round Table**

Danilo De Marchi, Polytechnic of Turin, Italy

Umberto Garlando, Polytechnic of Turin, Italy

Maurizio Memo, University of Brescia, Italy

Emilio Sardini, University of Brescia, Italy

INTERNATIONAL SCIENTIFIC BOARD

FACULTY

Francesco Castelli

Rector, University of Brescia, Italy

Avetik Nersisyan

Senior Agricultural Officer and Team Leader of Standard Setting Up of the International Plant Protection Convention (IPPC) of FAO

Roberto La Rosa

STMicroelectronics, Catania, Italy

Yosi Shacham

The Scojen Institute for Synthetic Biology Center, Reichman University, Israel

Marios Sophocleous

eBOS, Cyprus

Daniele Trincherò

Polytechnic of Turin, Italy

ORGANIZING COMMITTEE

Danilo De Marchi

Polytechnic of Turin, Department of Electronics and Telecommunications Turin, Italy

Emanuela Gobbi

University of Brescia, Department of Molecular and Translational Medicine, Brescia, Italy

Maurizio Memo

University of Brescia, Department of Molecular and Translational Medicine, Brescia, Italy

Emilio Sardini

University of Brescia, Department of Information Engineering, Brescia, Italy

With the support and patronage of

UNIVERSITÀ
DEGLI STUDI
DI BRESCIA
