

PhD CORNER WATER LEAKAGE DETECTION USING COSMIC RAY NEUTRONS

UNIVERSITÀ
DEGLI STUDI
DI BRESCIA

The **PhD Corner** is a space where PhD students present their research activities and discuss scientific issues, future developments and opportunities by addressing research institutions and companies.

Date: 13th Sept. 2024, 3:30 PM

Location: Aula consiliare, via Branze 38

You're all invited to participate as listener, but we are looking forward to see you as the next speaker! You could take this opportunity to practice before a formal conference.

Speaker
Lorenzo Sostero

AFTER THE PRESENTATION THERE WILL BE A LIGHT MEAL
