

**PhD CORNER**

## **Hybrid Systems for Water Remediation**

**Beatrice Cerea**

**UNIVERSITÀ  
DEGLI STUDI  
DI BRESCIA**

The **PhD Corner** is a space where PhD students present their research activities and discuss scientific issues, future developments and opportunities, involving both research institutions and companies. The event is therefore open to members of academia and industry.

**Date: 11th October 2024, 3:30 PM**

**Location: Aula consiliare, via Branze 38**

We encourage PhD students to come and present their research topic and latest results!

**AFTER THE PRESENTATION THERE WILL BE A LIGHT  
REFRESHMENT**
