

Annex 2 - List of Bachelor's Degree Programmes

1. All Bachelor's Degree programmes require an admission test, indicative for some and selective for others, which will be taken in the months of September and October 2018. Participation in the test is mandatory
2. The terms of enrolment to the admission test are detailed in the individual calls. For more information, consult the page:
<https://www.unibs.it/didattica/segreteria-studenti-line/iscriveri-ai-nostri-corsi>
Detailed information on the mandatory aptitude test (TOLC-I) for Bachelor's Degree Programmes in Engineering are available on the page <https://en.unibs.it/education/degree-seeking/admission-procedures/engineering/bachelors-degree-programmes-engineering>.
3. In order to enrol, non-EU applicants residing abroad must be included in the reserved ranking list. The number of places available for each Programme is shown in column 'Quota'

Bachelor's Degree Programmes

No.	Name	Quota for non-EU students	Admission test
1.	Health Care Assistant (qualifying for the health profession of Health Care Assistant)	2	Mandatory selective test
2.	Banking and Finance	25	Mandatory indicative test
3.	Biotechnologies	2	Mandatory selective test
4.	Employment and Company Legal Advisor	30	Mandatory indicative test
5.	Economics	25	Mandatory indicative test
6.	Business Administration	25	Mandatory indicative test
7.	Physiotherapy (qualifying for the health profession of Physiotherapist)	1	Mandatory selective test
8.	Dental Hygiene (qualifying for the profession of Dental Hygienist)	2	Mandatory selective test
9.	Civil Engineering	15	Mandatory aptitude test (TOLC-I)

10.	Land and Environmental Engineering	15	Mandatory aptitude test (TOLC-I)
11.	Electronics and Telecommunications	10	Mandatory aptitude test (TOLC-I)
12.	Computer Science and Engineering	10	Mandatory aptitude test (TOLC-I)
13.	Industrial Automation Engineering	10	Mandatory aptitude test (TOLC-I)
14.	Management Engineering.	10	Mandatory aptitude test (TOLC-I)
15.	Mechanical and Materials Engineering	10	Mandatory aptitude test (TOLC-I)
16.	Obstetrician (qualifying for the profession of Obstetrician)	2	Mandatory selective test
17.	Sports Sciences	4	Mandatory selective test
18.	Psychiatric Rehabilitation Techniques (qualifying for the health profession of Psychiatric Rehabilitation Technician)	2	Mandatory selective test
19.	Environmental and Workplace Prevention Techniques (qualifying for the health profession of Environmental and Workplace Prevention Technician)	2	Mandatory selective test
20.	Biomedical Laboratory Techniques (qualifying for the health profession of Biomedical Laboratory Technician)	1	Mandatory selective test

21.	Imaging and Radiotherapy Techniques (qualifying for the profession of Imaging and Radiotherapy Technician)	2	Mandatory selective test
-----	--	---	--------------------------

The final number of places reserved for this Study Programme will be indicated on the Italian Ministry of Education, Universities and Research (MIUR) website <http://www.studiare-in-italia.it/studentistranieri/>

Annex 3 – List of Master's Degree programmes

1. Master's Degree programmes taught in Italian and English require a pre-assessment of entry requirements or an admission test.
2. The terms of enrolment to the admission test are detailed in the individual calls. For more information, consult the page <https://www.unibs.it/didattica/segreteria-studenti-line/iscriversi-ai-nostri-corsi>
3. In order to enrol, non-EU applicants residing abroad must be included in the reserved ranking list. The number of places available for each Programme is shown in column 'Quota'.

3.1 Master's Degree Programmes taught in Italian

No.	Name	Quota	Admission test
1.	Medical Biotechnologies	2	Mandatory selective test
2.	Business Consultancy and Training for Professionals	5	Pre-assessment of curricular entry requirements
3.	Civil Engineering	15	Pre-assessment of curricular and personal training requirements
4.	Industrial Automation Engineering	5	Pre-assessment of curricular and personal training requirements
5.	Electronics Engineering	5	Pre-assessment of curricular and personal training requirements
6.	Management Engineering.	2	Pre-assessment of curricular and personal training requirements
7.	Computer Science and Engineering	5	Pre-assessment of curricular and personal training requirements
8	Mechanical Engineering	5	Pre-assessment of curricular and personal training requirements

9.	Materials and Product Innovation Engineering	5	Pre-assessment of curricular and personal training requirements
10.	Land and Environmental Engineering	15	Pre-assessment of curricular and personal training requirements
11.	Management	20 places overall, including those for the two curricula taught in English	Pre-assessment of curricular entry requirements
12.	Money, Finance and Risk Management	5	Pre-assessment of curricular entry requirements
13.	Preventive and Adapted Physical Activity	1	Mandatory selective test
14.	Nursing and Obstetrics	2	Mandatory selective test

3.2 Master's Degree Programmes taught in English

No.	Name	Quota	Admission test
1.	Civil and Environmental Engineering	15	Pre-assessment of curricular and personal training requirements
2.	Communication Technologies and Multimedia	20	Pre-assessment of curricular and personal training requirements
3.	Management (International Business Curriculum; Green Economy and Sustainability Curriculum)	20 places overall, including those for the two curricula taught in Italian	Pre-assessment of curricular entry requirements

4.	Science and Technology for Population Health and Wealth	10	Mandatory selective test
