

Annex 4 - List of Bachelor's Degree Programmes

1. All Bachelor's Degree Programmes require an admission test, indicative for some and selective for others, which will be taken in the months of September and October 2018. Participation in the test is mandatory
2. The terms of enrolment to the admission test are detailed in the individual calls. For more information, consult the page:
<https://www.unibs.it/didattica/segreteria-studenti-line/iscriveri-ai-nostri-corsi>
Detailed information on the mandatory aptitude test (TOLC-I) for Bachelor's Degree Programmes in Engineering are available on the page: <https://en.unibs.it/education/degree-seeking/admission-procedures/engineering/bachelors-degree-programmes-engineering>
3. In order to enrol, non-EU applicants residing abroad must be included in the reserved ranking list. The number of places available for each Programme is shown in column 'Quota'

Bachelor's Degree Programmes

No.	Name		Admission test
1.	Health Care Assistant (qualifying for the health profession of Health Care Assistant)		Mandatory selective test
2.	Banking and Finance		Mandatory indicative test
3.	Biotechnologies		Mandatory selective test
4.	Employment and Company Legal Advisor		Mandatory indicative test
5.	Dietician		Mandatory selective test
6.	Economics		Mandatory indicative test
7.	Business Administration		Mandatory indicative test
8.	Social Worker (qualifying for the health profession of Social Worker)		Mandatory selective test

9.	Physiotherapy (qualifying for the health profession of Physiotherapist)		Mandatory selective test
10.	Dental Hygiene (qualifying for the profession of Dental Hygienist)		Mandatory selective test
11.	Nursing (qualifying for the health profession of Nurse)		Mandatory selective test
12.	Civil Engineering		Mandatory aptitude test (TOLC-I)
13.	Land and Environmental Engineering		Mandatory aptitude test (TOLC-I)
14.	Electronics and Telecommunications		Mandatory aptitude test (TOLC-I)
15.	Computer Science and Engineering		Mandatory aptitude test (TOLC-I)
16.	Industrial Automation Engineering		Mandatory aptitude test (TOLC-I)
17.	Management Engineering		Mandatory aptitude test (TOLC-I)
18.	Mechanical and Materials Engineering		Mandatory aptitude test (TOLC-I)
19.	Obstetrician (qualifying for the profession of Obstetrician)		Mandatory selective test
20.	Sports Sciences		Mandatory selective test
21.	Psychiatric Rehabilitation Techniques (qualifying for the health profession of Psychiatric Rehabilitation Technician)		Mandatory selective test

22.	Environmental and Workplace Prevention Techniques (qualifying for the profession of Environmental and Workplace Prevention Technician)		Mandatory selective test
23.	Biomedical Laboratory Techniques (qualifying for the profession of Biomedical Laboratory Technician)		Mandatory selective test
