“Optimal investment in CO2 reduction technologies: CO2 tax versus EU-ETS”

Prof. Jacco Thijssen
The York Management School, University of York

Chair: Prof. Francesco Menoncin

April 26th, 2019 h. 14.00
Sala Biblioteca, Via S. Faustino 74/b

Optimal investment in CO2 capture and storage considering two different policy systems: a CO2 tax and the EU-ETS system.
