June 19th, 2019 h. 9.00
Sala Biblioteca, Via S. Faustino 74/b
Afternoon: Laboratory 1, Brixia building

This symposium is intended as a one-day masterclass in the Survey Methodology using the corpus resources and tools developed by the Survey of English Usage. It will cover the fundamentals of linguistic corpus research in the grammar of English and the approach to research that these tools make possible. Covering grammar, methodology and statistics, the symposium will showcase the state of the art in corpus linguistics in the 21st Century, and will be a must for every linguistic PhD student and researcher interested in corpus linguistics.
