CURRICULUM VITAE

Domenico Russo, born in Catanzaro, 12/06/57. M.D. at the University of Bologna (1982). Residency training in Hematology (1985) and Postdoctoral Researcher (1989) at the Institute of Hematology "L. e A. Seràgnoli" of Bologna University. Research Fellow at the Laboratory of Cellular Kinetic, Hotel Dieu Hospital, Paris (1991-1993). General Secretary (1994-96) and Advisor of the Italian Society of Experimental Hematology (1997-1999). Assistant Professor at the Chair of Hematology of Udine University, from 1990 to 2001. Associate Professor of Hematology at the University of Brescia Medical School from 2001 to 2011. Full Professor of Hematology from 2011 to present. Head of Blood Diseases and Cell Therapy Unit at the "Spedali Civili" Hospital of Brescia, from 2003. Director of the Fellowship School of Haematology, University of Brescia, since 2004. Official Member of the Research Council, University of Brescia from 2007 to 2010. Scientific Secretary of the Italian Cooperative Study Group on Chronic Myeloid Leukemia, from 1984 and Member of the GIMEMA CML-WP. Author of more than 180 peer reviewed papers. Main areas of scientific interest: chronic myeloid leukemia; acute leukemias; antitumor drugs; mechanisms of multidrug resistance; autologous and allogeneic bone marrow transplantation, regenerative medicine.

Graduate Education

- (1982) M.D. (Summa cum Laude), University of Bologna School of Medicine, Italy

Board Certification

- (1986) Hematology, University of Bologna Medical School

Teaching Experience

- (1994-1997) Covering the position of Professor of Oncology, University of Udine Medical School, Italy
- (2001) Professor Associate of Hematology, Dpt. of Medical and Surgical Sciences, University of Brescia Medical School
- (2011- present) Full Professor of Hematology, Dpt. of Medical and Surgical Sciences, University of Brescia Medical School

Professional Experience

- (1982-1985) Residency training in Hematology, Institute of Hematology “L.and A. Seràgnoli”, University of Bologna Medical School, Italy
- (1984 - present) Scientific Secretary of the Italian Study Cooperative Group on Chronic Myeloid Leukemia
- (1985-1989) Postdoctoral Researcher, Institute of Hematology “L.and A. Seràgnoli”, University of Bologna Medical School, Italy
- (1991 -1993) Fellowship in Hematology, Laboratory of Cellular Kinetics, Hotel Dieu Hospital, University of Paris (VI), Paris, France
- (1995-1997) Secretary of the Italian Society of Experimental Hematology (SIES)
- (1990-2001) Assistant Professor, Chair and Division of Hematology, Dpt. of Medical and Morphological Research and Dpt. of Bone Marrow Transplantation, University Hospital of Udine Medical School, Italy
- (1997-2000) Advisor of the Italian Society of Experimental Hematology (SIES)
- (2001) Professor Associate, Head of Chair of Hematology, Dpt. of Medical and Surgical Sciences, University of Brescia Medical School
- (2004-present) Head of Unit of Blood Diseases and Cell Therapies, I Division of General Medicine, Spedali Civili of Brescia
- (2004-present) Director of Medical School of Specialization in Hematology, University of Brescia
- (2007-2010) Member of Research Council of Brescia University
- (2011-present) Full Professor, Head of Chair of Hematology, Dpt. of Medical and Surgical Sciences, University of Brescia Medical School

Area of Interest

- Prognosis and therapy of Chronic Myeloid Leukemia
- Therapy of acute leukemias, lymphomas and myeloma
- Multidrug resistance (MDR)
- Stem cell transplantation
- Anti-infective therapy in High Risk patients
- Translational genomic and molecular biology
- Stem cell biology and regenerative medicine

Scientific profile

- Author of more than 195 peer reviewed scientific papers
- Speaker in many National and International Congress
- Head of National Research Projects (PRIN) in 1998; 1999; 2000; 2001; 2007; 2009; 2015

Membership

- Italian Society of Hematology (SIE)
- Italian Society of Experimental Hematology (SIES)
- American Society of Hematology (ASH)
- International Society of Experimental Hematology (ISEH)
- Italian Society of Oncology (SIO)
- European Hematology Association (EHA)
