

## EDUCATION

- 12-08-2016 Certification in “Basic competence in clinical research and good clinical practice (GCP)”, Spedali Civili Hospital, Brescia, Italy
- 24-09-2013 Achievement of the “Abilitazione Scientifica Nazionale” for the position of Associate Professor 06/D4 (SSD MED/35 Malattie cutanee e veneree)
- 25/10/2006 Specialization in Dermatology and Venereology, University of Brescia, Italy. Grade: 70/70 cum laude.
- 2002 National certification to practice as Medical Doctor (Medical license number: 7189 “Ordine dei Medici e Chirurghi della Provincia di Brescia”, Italy).
- 09/10/2001 Medical Degree in Medicine and Surgery. University of Brescia, Italy. Grade: 110/110 cum laude.
- 1995 High school diploma. Grammar-School “Arnaldo” Brescia, Italy. Grade: 60/60 cum laude.

## PROFESSIONAL EXPERIENCES

- 01/04/2017-present: Associate Professor, Division of Dermatology, Department of Clinical and Experimental Sciences, University of Brescia, Italy
- 01/10/2011-30/03/2017: Assistant Professor in Dermatology, Division of Dermatology, Department of Clinical and Experimental Sciences, University of Brescia, Italy
- 14/09/2009-30/09/2011 Assistant Medical Director, Division of Dermatology, Spedali Civili Hospital, Brescia, Italy
- 01/06/2007- 31/05/2009 Research fellow in Dermatology, Division of Dermatology, Department of Clinical and Experimental Sciences, University of Brescia, Italy
- 01/11/2002 – 25/10/2006 Resident physician in Dermatology, Division of Dermatology, Department of Clinical and Experimental Sciences, University of Brescia, Italy

## AWARDS AND HONORS

- 20/02/2016 Best poster prize at the “AIDNID Annual Congress”, Roma , Italy
- 24/10/2011 Best oral communication BIODERMA prize at the "20th EADV Congress, Lisbon, Portugal.
- 21/09/2008 Best poster BIODERMA prize at the "17th EADV Congress ", Paris, France.
- 8/03/2008 Best poster prize at the "8th EURO-PDT Annual Congress", Barcelona, Spain.
- 27/10/2000 Best poster prize at the "1° SIDAPA Congress", Perugia, Italy.

## TEACHING EXPERIENCES

- 2012- present: Teacher of Dermatology at PhD School of Molecular Genetics Applied to Medical Sciences, University of Brescia, Italy; Teacher of Dermatology at School of Medicine and Surgery, University of Brescia, Italy; Teacher of Dermatology at School of Nursing, University of Brescia, Italy.
- 2008-2009: Teacher of Dermatology at the School of “Massaggiatore e Operatore della salute”, Course of Regione Lombardia, Brescia, Italy
- 2006-2007: Teacher of Dermatology at School of “Educazione Professionale”, University of Brescia, Italy

## MAIN RESEARCH FIELDS

The research of Dr. Marina Venturini over the past 10 years has focused mainly in the field of photodermatology, photodiagnosis, phototherapy and non-invasive diagnostic techniques,

especially in *in vivo* reflectance confocal microscopy, working in Phototherapy and Photobiology Unit in Spedali Civili Hospital of Brescia, Italy.

Since 2007 she is also interested in heritable connective tissue disorders, focusing her clinical and research activity on Ehlers-Danlos syndrome Hypermobility type/Joint Hypermobility syndrome, in collaboration with Prof. Marina Colombi, Division of Biology and Genetics, Department of Molecular and Translational Medicine, University of Brescia, Italy.

#### CLINICAL STUDIES:

Principal investigator in the following clinical studies:

- “Registro clinico della psoriasi-studio clinico psoreal\_1 “ (italian multicenter non-profit study)
- “Observational study to evaluate clinical practice and satisfaction with Metvix® Daylight Photodynamic Therapy in the treatment of mild and/or moderate Actinic Keratosis of the face and/or scalp” (international multicenter study SESAME - Galderma)
- “An open, multicentre, clinical investigation on early visible effects of application of K101-03 during 8 weeks on nail discoloration and deformity resulting from onychomycosis or psoriasis (italian multicenter study K101-53 – Moberg Pharma).
- HIDRADisk Validation Study - Studio epidemiologico per la validazione di un questionario sulla qualità di vita in pazienti affetti da idrosadenite suppurativa (HS) (italian multicenter study HIDRADisk – Abbvie)

Sub-investigator in the following clinical studies:

- “A 24-week, multicenter, prospective, study to evaluate the PASI 90 clinical response rate and safety profile of secukinumab 300 mg in cw6-negative and cw6-positive patients with moderate to severe chronic plaque-type psoriasis” (international multicenter study CAINSUPREME 457AIT01-Novartis)
- “A single arm, open-label, phase II, multicentre study, to assess the safety of vismodegib (GDC 0449) in patients with locally advanced or metastatic basal cell carcinoma” (international multicenter study STEVIE - Roche)
- Studio esplorativo sull'efficacia e la tollerabilità di una crema a base di metilprednisolone aceponato ed un nuovo dispositivo medico topico in pazienti pediatriche con dermatite atopica lieve o moderata, attraverso la valutazione di due differenti modalità di applicazione nello stesso paziente su lesioni controlaterali flessurali – (italian multicenter study 1069\_OPBG\_201 – Bayer)

## MEMBERSHIP IN SCIENTIFIC SOCIETIES

- 2002-present: Member of “Società Italiana di Dermatologia medica, chirurgica, estetica e delle Malattie Sessualmente Trasmesse” (SIDeMaST)
- 2011-present: Member of “Associazione Italiana Diagnostica Non Invasiva” (AIDNID)
- 2012-present: Member of “Società Italiana di Fotobiologia” (SIFB) (2012-2014 Member of executive board)
- 2011-present: Member of “European Society for Photobiology” (ESP)
- 2013-present: Member of “European Association of Dermato-Oncology” (EADO)
- 2013-present: Member of “European Academy of Dermatology and Venereology” (EADV)
- 2017-present: Member of “European Society for PhotoDermatology” (ESPD)

## REVIEWER FOR SCIENTIFIC JOURNALS:

- 2012-present: “Giornale Italiano di Dermatologia e Venereologia”

## BIBLIOMETRIC INDECES

Since 2001, Dr. Marina Venturini has been co-author of 85 publications in international journals. According to Scopus (2018), her H-index is 21.
